

Diane Boivie, PCC, ORSCC, CPCC

Team & Leadership Development

Coach, Facilitator & Trainer

Diane Boivie, President & Partner of Catalyst Coaching & Training, is a coach, facilitator, speaker & trainer based in the San Francisco Bay Area. She has a BA in Computer Science & is certified in Organization and Relationship Systems Coaching™ – a leading edge model for developing & strengthening team dynamics.

Diane has over 23 years' experience working in corporations & has been a consultant & coach for more than 7 years. A former corporate transformation project & program manager, Diane specializes in experiential team-based facilitation, training & coaching, leadership development training & communications training. She helps leverage the power of shared leadership embedded in teams so that they can become more empowered, collaborative & inspired to deliver outstanding results.

She utilizes her deep understanding of business cultures, organizational behavior & effective relationship systems dynamics to coach teams & leaders in strengthening current performance capabilities.

Diane incorporates the needs of the organization, team & the individuals into her consulting approach. She increases the resilience, effectiveness & cohesiveness which enable teams to create innovative solutions, make better use of available resources & improve processes. She increases the capacity of teams to develop effective strategies to handle evolving challenges.

She is credentialed with the International Coach Federation, certified as an Organization and Relationship Systems Coach™ & as a Co-Active Professional Coach & is a graduate of the year-long intensive Co-Active Leadership program. She is a licensed facilitator for the Team Diagnostic Assessment™ through Team Coaching International.

Diane served for two years as President of North Bay Coaches. She is a former Community Holder for Organization and Relationship Systems Coaching™ in the San Francisco Bay Area. She was also co-founder of the North Bay Sustainable Business Alliance.
